

Curriculum Vitae

Name : **Naresh Reddy Maram Reddy**

Mobile : **+91-9581959494**

E-Mail : **nareshreddym@outlook.com**

CAREER OBJECTIVE

- Looking for a responsible and challenging position with opportunities to enrich my knowledge and skills while contributing to the success of organisation and to build a result oriented professional growth.

SUMMARY OF EXPERIENCE

- Result oriented professional with around **12 Years** of extensive iOS development experience.
- Filed a **patent from Wells Fargo** for an innovative concept.
- Strong experience in **agentic AI & custom agent development** for different use cases using github co-pilot, devin, etc.
- Solid iOS development experience with **swift, swift-UI, SPM(swift package manager), combine, objective-c, SDUI(Server driven UI), UI/unit testcases, graphQL/rest** API integration and **MQTT/HTTP** protocols.
- Have real time experience in **Maps SDKs, Firebase, Push notification, Location services and third-part SDK integrations, analytics, etc.**
- Real time working experience with **modern concurrency APIs(async/await, etc..), memory management & multi-threading** environments.
- Strong knowledge of design patterns such as **MVVM, MVC, Singleton & clean architectures like Redux.**
- Working experience **creating reusable frameworks/SDKs with SwiftUI/SPM** for iOS.
- Experience in **audio players, bluetooth APIs & agile methodologies (Scrum).**

PROFESSIONAL EXPERIENCE & ACCOMPLISHMENTS

- Around 4 years of experience from **Wells Fargo – October 2022 to present.**
 - **Patent filed for an innovation** - USPTO REF **Patent number: US-20250278744-A1**
 - PR and release **build time optimisation with app modularisation**, packages hosted in different repos linked via Swift package manager.
 - **Selective testing solution** to execute test suites corresponding to the changes in PRs.
 - **Custom AI agents/tools implementation** for Dark mode conversion, Upgrade assist, crash analysis, end to end Jira task implementation with custom figma and jira MCPs integration.
 - **Customised apple's swift-format tool** and added Wells Fargo specific rules and lint capabilities and integrated it in all iOS repos.
 - Delivered solutions to long running multiple production bottleneck issues.
- 4 years of experience from **Verizon – November 2018 to October 2022.**
 - Integrated My Fios app in to the **My Verizon app using template-based Server driven UI** using atoms and molecules architecture.
 - Delivered **router management features in My Fios app.**
- 1.5 years of iOS development experience from **Prokarma softech private limited – July 2017 to November 2018.**
 - Delivered **custom T-Mobile iOS SDKs** for user authentication using T-Mobile credentials with SSO capabilities, custom analytics SDK.
 - Delivered **Offers module in T-Mobile Tuesdays** application.
- 2.1 years of iOS development experience from **Votary softech solutions private limited – May 2015 to May 2017.**
 - Delivered She Shuttle app using **MQTT protocol for live tracking** of shuttles and the ETAs to pick-up points and destinations
 - Extensively used **MQTT topics, Google Maps, Crashlytics SDKs and Location/GPS services** for location, route and pickup points management.
- 1.0 years of iOS development experience from **Versatile mobitech private limited – May 2014 to May 2015.**
 - Delivered **My GHMC app** to manage/consume the services offered by Greater municipality of Hyderabad (GHMC).
 - Delivered ecommerce apps such as **U-Cars, Return my ticket targeted for countries in middle east** region.

PROJECTS PORTFOLIO

➤ Wells Fargo Mobile

Duration: **October 2022 - present**

Team size: **100+**

➤ My Verizon

Duration: **November 2020 - October 2022**

Team size: **100+**

➤ Verizon My Fios

Duration: **November 2018 - November 2020**

Team size: **20+**

➤ T-Mobile ID SDK

Duration: **August 2017 - November 2018**

Team size: **10+**

➤ SCSC SHE Shuttles

Duration: **June 2015 - August 2017**

Team size: **5**

➤ MY GHMC

Duration: **June 2015 - August 2017**

Team size: **2**

➤ U-Cars, Return my ticket

Duration: **June 2014 - August 2015**

Team size: **2**

EDUCATIONAL QUALIFICATION

- Bachelors of Engineering(CS) with 76.1% from All India institute of technology.

PERSONAL PROFILE

Father's name : **Venkata Narsa Reddy**
Date of birth : **26th June 1993**
Sex : **Male**
